3-Year <i>Higher Nitec</i> Courses by School	Course Code	College Code	2024 JIE 'N' ITE Aggregate Score (based on 4 subjects)	Minimum Entry Requirements
BUSINESS & SERVICES				
Customer Experience ⑦ NEW	HF3CX	CW-CK	-	3 GCE 'N' Passes (Grade A-D or Grade 1-5) in English Language and two other subjects Or 2 GCE 'O' Grades (Grade 1-8) in any two subjects
Passenger Services ⑦	HF3PS	CC-AM CE-SM	5 9	
Tourism ⑦	HF3TS	CW-CK	6	
Sport Management ⑦ <i>Applicants have to pass a prescribed medical examination.</i>	HF3SM	CC-AM CE-SM CW-CK	4 6 6	

*varies depending on course

Eligibility for the course does not guarantee successful placement!

Subject to competition based on **merit** and **vacancies** available.

- Successful placement in 3-year Higher Nitec course is dependent on **net ITE aggregate score**, i.e. after deduction of CCA bonus points.

CCA Grade	No. of bonus points
Excellent (A1 – A2)	2
Good (B3 – C6)	1

- Calculation of ITE aggregate score is based on **Best 4 subjects**.

3-Year <i>Higher Nitec</i> Courses by School	2024 JIE 'N' ITE Aggregate Score (based on <u>4 subjects</u>)	Minimum Entry Requirements
<p>Nursing ①⑤⑦</p> <p><i>In view of the nature of work and demands in the healthcare industry, applicants should possess a caring attitude and a resilient mindset with good interpersonal skills. Shortlisted applicants have to attend an interview <u>on-campus</u> scheduled on Mon 23 Dec 2024 or Thu 26 Dec 2024 and pass a prescribed medical examination.</i></p>	15	<p>3 GCE 'N' Passes (Grade A-D or Grade 1-5) in English Language, Mathematics and one other subject</p> <p>OR</p> <p>2 GCE 'O' Grades (Grade 1-8) in any two subjects</p>

As English Language and Mathematics are specified as **pre-requisite subjects** for Nursing, the results for both subjects will be used in the ITE aggregate score computation.

Computation of ITE aggregate score for N(T) subjects and grade conversion for students taking subjects at N(A) level:

N(T) Grade	ITE aggregate point
A	1
B	2
C	3
D	4
E/U	5

N(A) Grade	ITE aggregate point
1,2,3	1
4	2
5	3
6/U	4

ITE Early Admissions Exercise (ITE EAE)

What is the ITE Early Admissions Exercise (ITE EAE)?

- ITE EAE is an **aptitude-based admissions exercise** that allows students to apply and receive conditional offers for a 3-year Higher Nitec course **before** receiving their N(A)-Level examinations results.
- Student must **demonstrate interest and aptitude** for the course they are applying to.
 - Selection criteria varies depending on course and application process may require portfolio submissions, interviews, and/or aptitude tests.

- **Conditional offer** upon successful application:
 - admission will not be dependent on competing with others based on ITE aggregate score upon release of results
 - N(A)-level results must still **meet the Minimum Entry Requirement (MER)** of course for conditional offer to be confirmed

Before N level: Conditional offer given to student for 3-year Higher Nitec Sport Management course upon successful EAE application

3-Year Higher Nitec Courses by School	Course Code	College Code	2024 JIE 'N' ITE Aggregate Score (based on 4 subjects)	Minimum Entry Requirements
BUSINESS & SERVICES				
Customer Experience (7) NEW	HF3CX	CW-CK	-	3 GCE 'N' Passes (Grade A-D or Grade 1-5) in English Language and two other subjects Or 2 GCE 'O' Grades (Grade 1-8) in any two subjects
Passenger Services (7)	HF3PS	CC-AM CE-SM	5 9	
Tourism (7)	HF3TS	CW-CK	6	
Sport Management (7) <i>Applicants have to pass a prescribed medical examination.</i>	HF3SM	CC-AM CE-SM CW-CK	4 6 6	

Day of N level results release: Conditional offer confirmed if student meets the MER, i.e. passed EL and 2 other subjects.

Why apply for ITE EAE?

- Suitable for students who have already **identified a course** they have **interest** and **aptitude** in
- No need to compete for admission into course of choice based on academic results
- Recognises students' aptitude and potential, beyond academic performance
 - assessment is done through different modes, e.g. interviews, aptitude tests, portfolio (depending on the course)

Post-Secondary Pathways

Information on ITE EAE

Reflect on your learning style, motivations, and what you would like to do after graduating from the 3-year Higher Nitec programme.

JURONG SECONDARY SCHOOL

What should I do now?

Reflect on the following:

1. Do you know what career or industry you want to enter? How much research have you done? — Identifying potential career interests allows you to have a better idea of which Higher Nitec courses/diploma courses you can pursue and if you would like to consider applying for ITE EAE.
2. How prepared are you for your N(T)-level examinations? — How disciplined have you been in your revision? Have you set any S.M.A.R.T. goals for yourself to help you stay on track?
3. Would you prefer to start working earlier, or continue your academic pursuit? — Are there circumstances that require you to start working earlier? ITE's Traineeship courses and Work Study Diploma allows you to work while pursuing a diploma course.

Preparation:

Academic Preparation

Regardless of your choice, having good academic grades allows you to have more options. Admission into the 3-year Higher Nitec courses is still a merit and choice-based system.

- Consistent review and revision
- Seek help when needed
- Readiness for and receptiveness to feedback
- Develop good self-regulation habits
- Develop good attendance and punctuality habits

Non-Academic Preparation

- Consider leadership opportunities within your CCA.
- Build and maintain your e-portfolio.
- Continue to research on courses, industries etc., and determine how it aligns with your values, interests, personality, skills and strengths.
- Participate actively in ECG-related activities!

Parents can help to:

1. Explore your child's interests and develop his/her strengths.
2. Support him/her to research on the courses he/she is interested in and the related courses in the sector.
 - Reserve judgement - do not be too quick to say no to a particular course/institution. Listen to your child and explore options together.
3. Prepare early if considering for ITE EAE.
 - Keep up to date on the application deadlines.
