

# Post Secondary Pathways

**Mr Russell Cheong**  
**ECG Counsellor**

# What is ECG?

1. Nurture your child's competencies and values to make informed decisions
2. Support your child in the transition from school to further education or work
3. Develop your child's mindsets and skillsets for lifelong learning and navigation of career pathways

# Your ECG Journey

## Sec 1

- Transit to new school environment
- Introduction to different career sectors

## Sec 2

- Explore career interests
- Choose subject combination for upper secondary

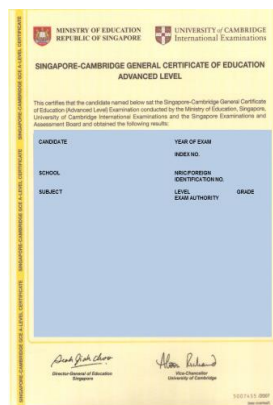

## Sec 3

- Deepen career exploration through experiential learning
- Adjust to new subjects, class and CCA leadership roles

## Sec 4/5

- GCE N or O Level Exams
- Align career interest with post-secondary courses

# Supporting Your Child

Leverage the *Education Guide* feature in the MySkillsFuture portal  
<https://go.gov.sg/MySFSec>  
to help your students plan their next step forward after their secondary education.

This ECG pamphlet <https://go.gov.sg/whats-next> helps to scaffold the decision-making process for students at key education stages. Assist your students in the exploration of the interactive microsite.

This parent resource contains tips and advice on ECG and how parents can support their children throughout their key education stages. Parents can access the soft copy at: <https://go.gov.sg/ecgparentguide>.
