Early Admission exercise

**What is the Early
Admissions
Exercise (EAE)
about?**

Early Admission exercise

- ❑ Opportunity to seek admission to the post secondary education institutes (ITE, Polytechnics and JCs) before N and O level examinations
- ❑ Based on a diverse range of academic and non-academic achievements talents, aptitude and interest

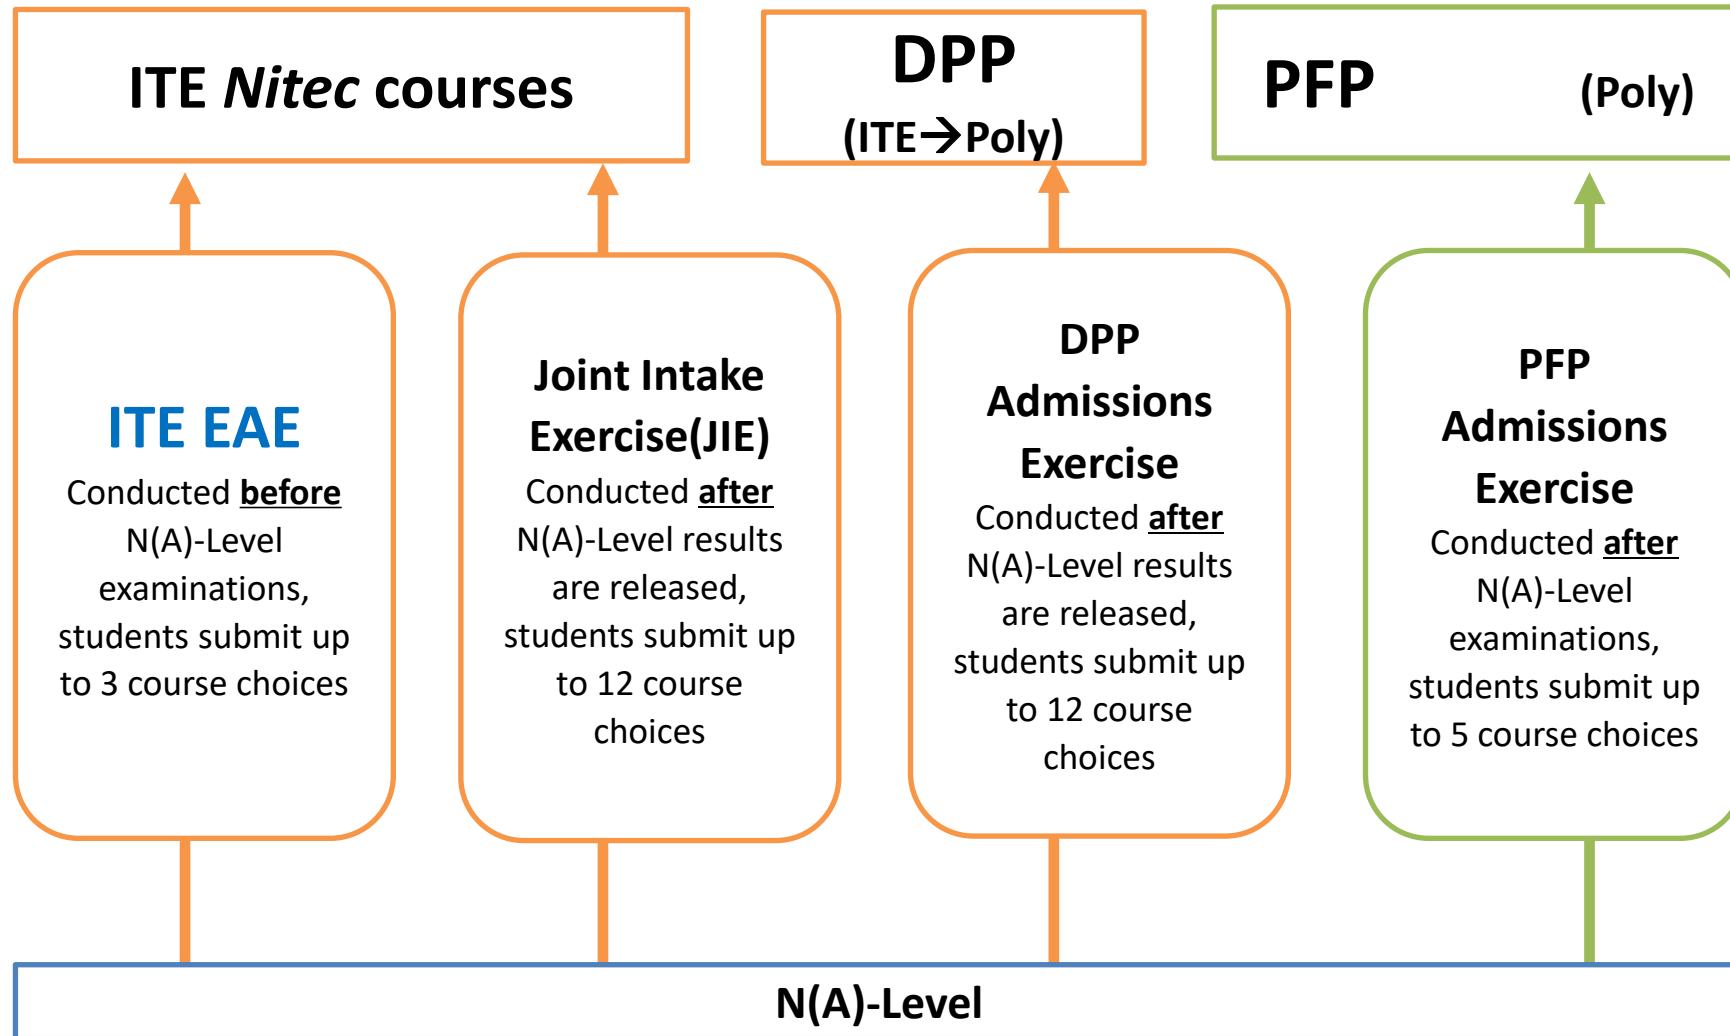

Early Admission exercise

**What options
are there?**

Early Admission exercise

Early Admission exercise

**Increased
Opportunities**

Early Admission exercise

1 More places available

2 Greater flexibility in the selection criteria based on your abilities and interests

3 Lesser emphasis on academic performances

Early Admission exercise

**Things You
Should Know**

Early Admission exercise

- 1** It's for those who have *aptitudes* and *interests* in specific fields of study
 - Focus on **course-specific aptitudes and interests**
 - But, non-course-specific achievements, e.g. sports, performing arts, leadership, are also considered
- 2** Assessed through different modes
 - E.g. interviews, aptitude tests, showcasing your portfolio, depending on the course you apply for
- 3** Take place *before* N-Level exams
 - If your child's application is successful, he/she will be given a **conditional offer** before he/she take the N- Level exams

Early Admission exercise

4 Still have to meet the minimum entry requirements

- **ITE:** Most *Nitec* or *Higher Nitec* courses have **subject-specific minimum entry requirements**

(...or your child's offer will be revoked)

5 But your child won't have to compete for admission to the PSEIs strictly on the basis of how well he/she does academically compared to everyone else

Early Admission exercise

Supporting your child

**Things You Could
Do Before Your
Child Apply**

Supporting your child

Explore your child's interests and develop his/her strengths

Support him/her to research on the courses he/she is interested in and related careers in the sector

Prepare early for the application

What is most
important right
now?

Supporting your child
