# Parents'/Guardians' Role

- We would like to partner parents/guardians so that that students are well supported in their use of technology for learning.

- As parents/guardians, you can help in the following ways:
  – Model good digital habits for your child/ward e.g. parents/guardians not using devices during family meals.
  – Know your child/ward well and have conversations with your child/ward about safe and responsible use of technology.
  – **Set ground rules for internet/device usage.**
  – Encourage your child/ward to use productivity tools using his/her PLD, to organise information and simplify tasks for efficiency.
