**Increased  
Opportunities**

# Early Admission exercise

available

the selection criteria  
based on your  
abilities and interests

**3** Lesser emphasis  
on academic  
performances

# Early Admission exercise

**Things You  
Should Know**

# Early Admission exercise

## 1 It's for those who have *aptitudes* and *interests* in specific fields of study

- Focus on **course-specific aptitudes and interests**
- But, non-course-specific achievements, e.g. sports, performing arts, leadership, are also considered

## 2 Assessed through different modes

- E.g. interviews, aptitude tests, showcasing your portfolio, depending on the course you apply for

## 3 Take place *before* N-Level exams

- If your child's application is successful, he/she will be given a **conditional offer** before he/she take the N- Level exams

# Early Admission exercise

**4** Still have to meet the minimum entry requirements

- **ITE:** Most *Nitec* or *Higher Nitec* courses have **subject-specific minimum entry requirements**

(...or your child's offer will be revoked)

**5** But your child won't have to compete for admission to the PSEIs strictly on the basis of how well he/she does academically compared to everyone else

# Early Admission exercise

# Supporting your child

**Things You Could  
Do Before Your  
Child Apply**

# Supporting your child

Explore your child's interests and develop his/her strengths

Support him/her to research on the courses he/she is interested in and related careers in the sector

Prepare early for the application
