ANNEX C

CLASSROOM CODE OF CONDUCT

I will stand up straight and greet the teacher when he/she enters the classroom because I am a sincere and respectful individual. I will also thank the teacher when he/she completes the lesson and leaves the room to show my appreciation towards my teacher.

I will pay attention and remain seated when my teacher is teaching because I am disciplined and industrious. As such, I will not be involved in other activities (e.g. talking to classmates, resting my head on the table, sleeping, making unnecessary remarks, walking around, using my mobile phone, etc.) while lessons are in progress.

I will demonstrate a sense of propriety by refraining from charging my mobile phone in the classroom or anywhere in the school premises.

I will put in effort to submit quality work and hand in all my assignments and projects punctually because I pursue excellence and am a responsible person.

I will obtain prior permission from the teacher if I wish to leave the classroom during change of period because I know that I need to be accountable for my actions.

I will be responsible for always keeping the classroom tidy and free from litter. I will not consume food (except during the 10-minute snack break) and sweetened drinks beyond the canteen. This is because I understand the importance of a clean and conducive learning environment.

I will take care of class property and the notice boards in the classroom and will not vandalise/deface/dirty any wall, furniture, windows, doors, AV-equipment, cleaning tools, etc. I understand that these things are there for my benefit and I demonstrate my love for the school by caring for them.

I will adhere to the seating arrangement decided by my form teacher and will not change it without his/her permission. I respect my form teacher's authority and that he/she will change the seating arrangement as and when he/she finds that it is necessary for the benefit of the class.

I will produce a medical certificate when I am absent from school and upon returning to school, I will hand it to my form teacher punctually. I understand that it is my responsibility to ask my teacher for homework and arrange for any re-tests because I am committed to giving my best academically and taking ownership of my learning.
